

The New Zealand Chambers of Commerce is a body of some thirty Chambers throughout New Zealand, supporting over 12,000 members and representing over 40 million businesses.

The role of the Queenstown Chamber of Commerce is to influence and inspire business vitality in the District. We do this positively through our representation to Local and Central Government on issues of concern to our members. The Chamber can help you grow your networks and grow your business. Through us, you have the opportunity to make your business visible.

Membership is open to businesses and industries of any size and from any sector.
