

The Akarua Arrowtown Autumn Festival has been an annual fixture on the local calendar since 1985.

Festival events are centred around the community, celebrating our glorious Autumn season and everything our special place in the world has to offer. The festival generally runs over 5 days around the 3rd week of April when the autumn colours are at their peak.

We have a paid co-ordinator who oversees the running of the festival but a huge amount of work is also put in by our volunteer committee. We are always looking for people to volunteer even an hour of their time over the festival so please get in touch if you would like to get involved.

Our AGM is generally held in July to elect the committee for the following year.

For more information, please visit our website and/or facebook page.
