

Best Start Queenstown prides itself on providing a safe, loving and challenging environment that nurtures the growth of all children. We believe children learn best when they can build trusting and respectful relationships – within their peer groups, with teachers and within our community. We believe children learn through play and as teacher(s) foster and extend on the individual interest(s) as children develop and adapt to individual learning needs.

We offer education and care from 3 months to 5 years, with open hours of 8am till 5.30pm, Monday to Friday. We only close on statutory holidays.
