

We are proud of the quality education and the many opportunities that we provide for our students and we know that this prepares them well for life beyond school. We pride ourselves on our dedicated staff, excellent facilities, friendly students, and engaging programmes set amongst the stunning landscapes of Central Otago.

Cromwell College is a secondary school with a difference. Since 1995 over 300 students have enjoyed our highly regarded and popular Outdoor Pursuits Academy. This academy enables students from around New Zealand and overseas to experience life in Central Otago for their final years of secondary schooling.
