Deaf Aotearoa is a national organisation representing the voice of Deaf people, and the national service provider for Deaf people in New Zealand. Deaf Aotearoa also works closely with Deaf communities, government agencies and other organisations to increase awareness, promote New Zealand Sign Language and strengthen the rights of Deaf people.

Deaf Aotearoa delivers flexible and responsive services which accomodates the Deaf community’s needs. We provide knowledge, information, resources and skills. With these, Deaf people are able to independently manage events in their own lives.
