

Fluid Recruitment is a professional recruitment agency that services the Queenstown, Wanaka and Lakes region. We focus on permanent recruitment needs for our clients and in particular specialise in the following sectors: Accountancy & Finance Recruitment, Information Technology, HR, Sales & Marketing, Planning & Surveying, Engineering and Operations.

If you are looking at moving to this region and are seeking more information about potential roles that may be available to you, then please get in touch with us. Alternatively looking for a change and a fresh challenge and keen to hear about other local companies that are recruiting in your sector? - Again please reach out for a confidential discussion.
