

Happiness House is a community based non profit organisation that provides services to the Wakatipu District. Established in 1991 and registered with the Charities Commission (number cc11023). It is a drop-in centre, open Monday to Friday 9am to 4pm, providing a safe, warm, non judgmental, confidential and caring environment. 83% of the people that live in the Wakatipu have moved here from somewhere else leaving behind family support. Add to that the high cost of living, low wages and social isolation that comes from being far from family, the Wakatipu can be a challenging place to live. Happiness House is there for these people and for those affected by other life events or unforeseen circumstances.
