The Community Association was formed in 2008 with the purpose of promoting and protecting the interests and welfare of the citizens of Lake Hayes Estate. It joined with Shotover Country in 2017 to represent the wider community now based in the area.

We have a committee that is voted in by members annually and that meets regularly to discuss and progress any issues that members or residents are concerned with. Over the years we have had great success in progressing community projects and liaising with the Council to keep on top of maintenance and beautification work.
