MediaWorks is New Zealand's largest independent broadcaster, and reaches more than 4 million Kiwis through its TV, Radio and Digital platforms. The company is owned by Oaktree Capital and governed by a Board of Directors; Jack Matthews (Chairman) and Jonas Mitzschke. MediaWorks is led by Michael Anderson, CEO.

Through our loved and trusted news and entertainment brands, including Three, More FM, The Edge and RadioLive, The Rock and The Breeze, MediaWorks connects with 97% of all New Zealanders. With this comes responsibility, and ours is to make a positive difference in our communities. Over the years, MediaWorks has been proud to support hundreds of charities. We've shed light on many important issues, engaging with millions of New Zealanders to raise awareness. And, with the public’s support, we’ve helped to raise millions of dollars for charities too.
