Mount Aspiring College is a Year 7-13, co-educational state secondary school located in Wanaka, New Zealand. We are proud to be the community school for the Upper Clutha area and also the chosen school for students from throughout New Zealand and from around the world.

With a roll of above 950, we are small enough to know each student well and recognise their individual character and needs, but large enough to offer an extensive curriculum that meets the academic and vocational needs of individual students, while also offering an impressive co-curricular programme.
