We are dedicated to supporting any child in New Zealand whose wellbeing is at significant risk of harm now, or in the future. We also work with young people who may have offended, or are likely to offend.

Our belief is that in the right environment, with the right people surrounding and nurturing them, any child can, and should flourish.

Lines open 24/7. From 5pm – 8 am Monday to Friday, weekends and public holidays, social workers will only assess emergency situations. But we encourage you to call if you're unsure.
