

Prime Timers holds a bi-monthly meeting and afternoon tea in the Presbyterian Church Community Rooms on Tenby Street, Wanaka. These run between the months of February and November. We have guest speakers talking on a variety of subjects followed by afternoon tea. Our meetings are casual and relaxed. We foster a homely environment free from Political, Religious, Race or Gender Bias.

In between meetings we have outings. Some locally and some a bit further afield, for example, we go to Hawea but also to the senior citizens afternoon tea in Arrowtown which is part of their Autumn Festival. We go on shopping trips, winery tours and to many other destinations. Safety is a priority for us and we have wonderful volunteers to help us out. We keep costs to minimum and all trips are optional.
