

The Queenstown Gymnastic Club is the Wakatipu's only fully equipped gym & includes a sprung floor and the apparatus required for men's and women's artistic gymnastics.

We have recreational programmes for boys and girls that suit ages 3yrs through adult and all ability levels. We also host private birthday parties and run a competitive team programme.

We aim to provide quality coaching in a friendly atmosphere, with our classes taught by qualified coaches. Our Club is affiliated with GymSports New Zealand (GSNZ), and our programmes are endorsed by Gymnastics New Zealand.
