

Queenstown Swimming Club was established in 2000 as an amalgamation of two existing clubs within the Wakatipu. The club currently honours three life members for their contribution to swimming in Queenstown; Colin Walker, Chris Thompson & Sharon Burke.

As a community based club our intention is to encourage, nurture and develop all swimmers to the very best of their ability and enable a dedicated focus to goal setting and achievement. We hope to instill a life long love of swimming.

The Club offers professional and dedicated coaching across abilities from foundation to age group swimmers.

Morning and afternoon training sessions are run from Alpine Aqualand in Frankton.
