Q.W.G connects womxn in the QLD community to inspire, empower & create. We are inclusive of rainbow communities and womxn from all demographics. We have a variety of womxn contributing to our community: migrants, Maori, mothers & daughters, youths & seniors from all over the district. We hold regular meetups & workshops throughout the region & online to come together. Many womxn have joined forces in collaboration to deliver workshops on business mentoring, healthy living, well-being, spirituality, arts, holistic health, employability, self-management, social impact causes & fundraisers. There is also a Facebook Group that you can join to keep up to date with what's on!
