Queenstown Medical Centre (QMC) was established by the late Dr Pat Farry in 1970 who had a vision of a practice based on a collegial and co-operative relationship between doctors and nurses. Whilst this concept has become more main stream in recent years it was extremely progressive for the time.

We now operate across three sites, Queenstown, Arrowtown and Remarkables Park and our team consists of 13 Vocationally Registered General Practitioners, 16 Practice Nurses, 10 receptionists and 6 Clinical and Administrative support staff.
