Volunteering

Volunteering Central seeks to celebrate, support, highlight and motivate volunteering in the Central Otago Lakes District. We increase the capacity of community organisations that rely on volunteers by connecting them with people who are willing to offer their skills and energy. We provide training, advice, advocacy, resources and recognition for individuals and community organisations involved in volunteering.

Queenstown Citizens Advice Bureau, 44 Stanley Street, Queenstown 1030 – 1345 1st & 3rd Mondays each month
