The Wanaka Ski Club was incorporated in November 1979. In 1992 the Cardrona Ski Club merged with Wanaka Ski Club. Then in 2008 the Club changed its name to Wanaka Ski & Snowsports Club.

Wanaka Ski & Snowsports Club promotes opportunities for members to participate in snow sports, at both a competitive level and socially. We promote and support race training and skills improvement for skiers and boarders at Treble Cone and Cardrona.
